<b>Total Estimate/Percent</b>	(62.2) 162,229	(18.4) 47,866	(19.4) 50,634	260,729 (303,609)**

Income	Children
<b>Above 300% FPL</b>	22,000

**Uninsured Ohioans By Income, Health and Work Status  
(2007 Expected Estimates)\***

\* Estimates for these calculations were derived using the 2004 Ohio Family Health Survey as a base and the 2006 and 2007 Ohio Health Issues Polls (Ohio Poll) and the 2004-2006 Current Population Survey's March Supplements as weighting data to project 2007 uninsured statistics. The total 18-64 year olds uninsured proportion for 2007, is estimated at 17.7%, or 1,265,000 adults.

\*\* Totals in brackets include imputed missing data from the Ohio Family Health Survey base statistics – these statistics account for approximately 178,668 additional responses.
